Duration

76 Weeks

The Project

The Vita Student Living Project is a development of 716 city centre student apartments close to Manchester Campuses and the city Centre. This multi storey apartment block will form part of a £750m mixed use complex, which occupies the site of the former BBC Headquarters.

The mixed-use complex will include 1.2m sq ft commercial office space, 100,000 sq ft retail and leisure space, two hotels and a multi-storey car park. As well as this, there will be a 250,000 sq ft beautifully designed public realm.

Scope

The scope of works is broken down into the following sections:

-
- Drainage installation.
- Ducting installation.
- Footpaths.
- New riverwall installation.
- Paving, rain garden and furniture installation.
